1) Enter a plus (+) only on the hole won for Gross and/or Net.

If there is a tie, leave it blank.

Example: On Hole #1 (in red), the Home Team won Gross but no team won Net.

Example: On Hole #3, (in blue), no team won Gross or Net, so both remain blank.

Example: On Hole #9 (in green), the Home Team won both Gross and net, so there is a plus sign for each row.

2) Add the number of plus signs for the front nine and enter the totals in the Out column.

Example: On the front nine, the Home team has 4 plus signs and the Away team has 0 plus signs. Score all holes, even if one team won by a lot! It can make a difference with ties later on.

2b) Repeat for the back nine and the Overall.

6) The Gross and Net totals must sum to 3 between the teams for each match.

Example: (in red) The Home team won 2.5 points for the Gross overall match, and the Away team won .5 points for the Gross overall match. $2.5 + .5 = 3$

Example: (in blue) The Home team won 0 points for the Net overall match, and the Away team won all 3 points for the Net overall match. $0 + 3 = 3$
